

# 2026 NOTICE OF ANNUAL GENERAL MEETING

## CHAIR'S MESSAGE

***Thank you for your continued support of Cleanaway.***

**I look forward to welcoming you to our Annual General Meeting.**

Dear Shareholders,

On behalf of the Board, I am pleased to invite you to Cleanaway Waste Management Limited's 2026 Annual General Meeting (AGM) which will be held on Thursday 22 October 2026 commencing at 11am (Brisbane time) in the Long Room, Customs House, 399 Queen Street, Brisbane, QLD 4000.

Cleanaway's 2026 AGM will be a hybrid AGM, so that shareholders who cannot join us in person may participate in the AGM online at <https://meetnow.global/CWYAGM2026>. If you are unable to join us live, a recording of the AGM will be made available on the Cleanaway website after the meeting.

The Notice of Meeting and Explanatory Statement are set out in the following pages. The business of the meeting is to:

- consider the Financial Reports and Sustainability Report for FY2026;
- vote on the FY2026 Remuneration Report;
- vote on the re-election of Samantha Hogg and Clive Stiff, and election of Vanessa Guthrie, as Directors of the Company; and
- vote on a grant of performance rights to the CEO & Managing Director.

As a result of a 'first strike' being recorded against Cleanaway's FY25 Remuneration Report, the Notice of Meeting is required to include a contingent 'spill' resolution, which will only be considered if Cleanaway receives a second strike on this year's Remuneration Report.

Following the 'first strike' the Board undertook extensive engagement with shareholders and other stakeholders to understand shareholders' concerns. The Board carefully considered this feedback in determining FY26 executive remuneration outcomes and in developing the FY27 remuneration framework.

Following a tragic fatality during the year, the safety gateway was not met and the FY26 STI safety measures did not vest. In addition, the significant adverse cash flow implications associated with FY26 underlying adjustments resulted in the Board exercising its discretion to assess that the underlying EBIT component of the FY26 STI scorecard (accounting for 60% of the scorecard) did not vest.

The Board approved the following key changes to the executive remuneration framework for FY27:

- increasing the weighting of financial measures within the STI scorecard to 70% of the scorecard;
- introducing Free Cash Flow as a specific STI performance measure representing 35% of the scorecard; and
- increasing the level of STI deferral from 33% to 40% to further align executive outcomes with long-term shareholder value creation.

These changes reflect our commitment to transparency and accountability and to strengthening the alignment between executive remuneration, Company performance and shareholder experience.

Section 2 of the Remuneration Report in the Annual Report further sets out the key issues raised by investors and the actions taken in response.

The Board encourages all shareholders, including those attending in person, to submit your votes in advance of the Meeting (along with any questions you may have) to ensure your valuable vote will be counted if for any reason you are unable to attend on the day. While time may not permit me to address all of the questions submitted, I will try to address the more frequently raised shareholder questions during the course of the Meeting.

Thank you for your continued support of Cleanaway. I look forward to welcoming you to our AGM.

Yours sincerely

**Samantha Hogg**  
Board Chair

# Explanatory statement on items of business

These explanatory notes form part of the Notice of Annual General Meeting and should be read in conjunction with it. These explanatory notes have been prepared to provide shareholders with important information regarding the items of business proposed for consideration at the AGM.

The Chair and CEO will address the Meeting and/or make a presentation on the performance of the Company during the financial year ended 30 June 2026 as well as other strategic and operational activities of the Company.

## Item 1: Financial reports and Sustainability Report

The Corporations Act requires the following reports in respect of the financial year ended 30 June 2026 to be laid before the Annual General Meeting:

- Financial Report (which includes financial statements and Directors' Declaration);
- The Sustainability Report;
- The Directors' Report (which includes the Remuneration Report); and
- The Auditor's Report.

The Reports referred to above are included in the Annual Report provided to shareholders who elected to receive a copy of the report. A copy of the report is also available in the investor section on the Company's website [www.cleanaway.com.au](http://www.cleanaway.com.au). Shareholders will be provided with the opportunity at the Meeting to ask questions about the reports.

The Company's Auditor will be available at the Meeting to answer any questions in relation to the conduct of the audit and the preparation and content of the Auditor's Report.

## Item 2: Remuneration Report

A resolution for the adoption of the Remuneration Report is required to be considered and voted on at the Annual General Meeting. Prior to holding this vote, the Chair of the Meeting will allow a reasonable opportunity for shareholders to ask questions or make comments on the Remuneration Report.

The Remuneration Report for the financial year ended 30 June 2026 is included in the Annual Report. In accordance with the Corporations Act, the Remuneration Report:

- describes the policies behind, and structure of, the remuneration arrangements of the Company, and the link between remuneration and the Company's performance; and
- sets out the remuneration arrangements in place for Directors and those members of the senior management team with authority and responsibility for planning, directing and controlling the activities of the Company.

At last year's AGM, the Company received a 'first strike' on its Remuneration Report.

As a result, the Board has consulted extensively with shareholders to understand the concerns that led to the 'first strike'. The Board has outlined its response, including actions taken in relation to the FY2026 remuneration outcomes and changes that have been made to the Company's remuneration framework for FY27, in this year's Remuneration Report.

The Board has prepared the Remuneration Report in line with its objective of transparency and accountability in explaining the Company's remuneration framework and practices, and strengthening the strong alignment between Company and individual performance and incentive remuneration outcomes.

For FY27, the Board:

- increased the overall financial KPI weighting to 70% within the STI scorecard to reinforce the importance of delivering sustainable financial performance;
- introduced Free Cash Flow as a new financial measure to strengthen focus on cash generation, capital allocation and earnings quality; and
- increased the level of STI deferral from 33% to 40% to further align executive outcomes with long-term shareholder value creation.

As prescribed by the Corporations Act, the vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, if more than 25% of the votes cast on this Item are against adopting the Remuneration Report, the contingent spill resolution in Item 5 will be put to the meeting. The operation and consequences of a spill resolution are set out under Item 5 below.

**The Board recommends that shareholders vote IN FAVOUR of this non-binding resolution.**

### Item 5: Spill resolution (contingent item)

This item is a contingent item of business and will only be put to the AGM, as an ordinary resolution, if at least 25% of the votes cast on Item 2 to adopt the 2026 Remuneration Report are cast against its adoption. If fewer than 25% of the votes cast are cast against its adoption, this item will not be put to the AGM.

If this item is put to the AGM and passed, an extraordinary general meeting of shareholders, known as a “Spill Meeting”, must be held within 90 days of the AGM. If the following Non-Executive Directors remain in office at the time of the Spill Meeting, they will cease to hold office at the end of the Spill Meeting unless they are willing to stand for re-election and are re-elected at the Spill Meeting. This holds true for Ms Hogg, Mr Stiff and Dr Guthrie, regardless of their elections at the AGM:

- Ms Samantha Hogg;
- Ms Ingrid Player;
- Ms Jackie McArthur;
- Mr Clive Stiff;
- Mr Michael Kelly; and
- Dr Vanessa Guthrie AO.

The Board considers the following factors to be relevant to a shareholder’s decision on how to vote on this Item 5:

- In response to the ‘first strike’ at the 2025 AGM, the Board:
  - engaged with and listened to the concerns of shareholders and proxy advisers; and
  - sought to address the concerns that were raised.

The Board believes it has responded appropriately.

- Other than Dr Guthrie, who is standing for election for the first time, each of the Non-Executive Directors listed above has previously been elected as a director with strong shareholder support;
- The Board has the appropriate skills and experience and remains best placed to receive shareholder feedback, address concerns and provide oversight to deliver the desired outcome for shareholders;
- Convening a Spill Meeting would cause significant uncertainty and costs for the Company, which the Board does not consider would be in the best interests of the Company or its shareholders; and
- The substantial direct and indirect disruption to the Company, and to a lesser extent, its operations, caused by changes to the Board composition is not in the best interests of the Company or its shareholders.

**If it is required to be put to the meeting, the Board recommends that shareholders vote AGAINST this resolution.**

## How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

### APPOINTMENT OF PROXY

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**

## SIGNING INSTRUCTIONS FOR POSTAL FORMS

**Individual:** Where the holding is in one name, the securityholder must sign.

**Joint Holding:** Where the holding is in more than one name, all of the securityholders should sign.

**Power of Attorney:** If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

**Companies:** Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
