

Community Reference Group Expressions of Interest June 2026

Kemps Creek Resource Recovery Park

Would you like to join our Community Reference Group?

We are pleased to invite community members to participate in our upcoming Community Reference Group. The group is designed to connect Cleanaway with the community, to gather valuable insights, build trust, and provide feedback on issues that are important to you.

Your voice is important and we believe that different perspectives from the community help create a more inclusive and effective space for discussion. Whether you're passionate about what's happening in your local area or simply want to contribute your ideas and thoughts, we welcome your participation.

What is a Community Reference Group?

A Community Reference Group is a group of people from the community who meet every three months to share their opinions and feedback about issues that impact the community. Their main goal is to represent the community's voice, making sure different views, needs and concerns are heard and acknowledged.

Generally, the Community Reference Group panel has two representatives from each of the following groups: local residents, local businesses, local councils, emergency services and community groups. This structure may be adapted as needed to reflect the community it serves.

This structure ensures that everyone's voice is heard and that different perspectives are included in discussions, ensuring that a broad range of voices are represented.

If you're interested in joining the Community Reference Group, please let us know.

There are three ways you can do this:

1. by scanning the QR code and completing the online form
2. completing the nomination form in this brochure and sending it back to us via Australia Post at the address below
3. reaching out to us by phone or email using the details at the bottom of the brochure

The selected representatives will be notified via email and the names of the panel members and sections of the community they represent will be posted on our Kemps Creek Resource Recovery Park website. A group email will be established to enable the community to provide feedback; all messages sent to this email will be forwarded to CRG panel members for their review.

We look forward to hearing from you and working together to make a positive difference.

If you have any questions or would like to speak with Cleanaway, please contact us using the following contact details.

Nomination form

Name: _____

Address: _____

Phone: _____ Email: _____

Tell us why you would like to join the Community Reference Group panel: _____

Scan the QR code to fill in the nomination form online.
