

Information Session Thursday 11 December 2025

Lucas Heights Resource Recovery Park

You're invited to learn more about the Lucas Heights Resource Recovery Park expansion

Cleanaway invites you to attend an information session to discuss plans related to the extension of its Lucas Heights Resource Recovery Park landfill aimed at addressing the waste needs in the Sydney basin. The extension includes expanding the landfill westward, undertaking land remediation and the permanent realignment of the Mill Creek Stormwater Channel.

The project will maintain safeguards as outlined in the Environment Protection Licence.
