

# 10-day Clean Up with Cleanaway Challenge

Day 1

Take a moment to check which bins you use every day

Day 2

Pick one item and make an intentional decision before disposing of it

Day 3

Rinse one recyclable item so it is empty, clean, and dry before putting it in the recycling bin

Day 4

Look into your recycling bin and remove one item that does not belong there

Day 5

Pay attention to how much food waste you generate today and where it goes

Day 6

Look up one recycling rule specific to your local council or workplace

Day 7

Choose one waste habit to change and repeat it

Day 8

Share one thing you have learned during this challenge with someone else

Day 9

Identify one way to avoid creating waste today

Day 10

Get your gloves on and join a clean up event
